25X1 6. [] I talked with Roger Adkins, Bureau of the Budget, to inform him that Agency comments regarding the Export Control Act amendments would be coming over and we foresaw no problems in the amendments.

25X1 7. [] Talked with Robert Michaels who indicated it appeared highly likely that Mr. Lipscomb would be the other Republican on the Agency Subcommittee along with Mr. Bow. The Democratic side has not yet been settled. Also discussed with him the fact that the impounded funds from the 1965 budget had been held in a different account than that specified by the two Appropriations Committees. Michaels was well aware of this and indicated this should pose no problem for the Agency but might possibly cause difficulties for Defense although the Chairman has not taken any decision on this. Also discussed with Michaels the investigation or study by Appropriations staff personnel of certain manufactured items of interest to the Agency. Michaels was fully aware of the situation and indicated that with the Chairman's knowledge further action which would involve the Agency had been stopped. See Memorandum for the Record for details.

25X1 8. [] Talked with William Darden on the item involving the impounded funds from fiscal 1965 since such funds were impounded in a different account than specified by the Appropriations Committees. Mr. Darden indicated he had not been aware of this but stated he did not feel this would cause any problem. He also indicated in response to my question that he saw no reason that if necessary we could not deal with William Woodruff on the Senate Appropriations Defense Subcommittee.

Also reminded Mr. Darden that we were available for briefing of the Subcommittee at the Chairman's request. He said he was well aware of this as was the Chairman.

25X1 9. [] Talked with Russ Blandford who indicated their organization meeting would be held next Monday. He indicated that since Arends had been required to give up his ranking minority position as one of the Republican leaders, Mr. Bates will become a member of the CIA Subcommittee since, as ranking minority member on the full Committee, he will become ex officio member of all Subcommittees.
